Press Release: Landfill Closure due to flooding

Unfortunately, Clear Creek Disposal will not be able to continue garbage collection today. Access to the Milner Butte Landfill, close to Burley, is flooding and is compromised. Therefore, the Blaine County Transfer Station has been closed by Executive Director, Josh Bartleme, of Southern Idaho Solid Waste. Regular garbage collection will resume Monday February 13, 2017, only if conditions improve. If your regular day is Friday and your garbage was not emptied, please hold and combine with next Friday's collection. Southern Idaho Solid Waste will continue to update Clear Creek Disposal regularly. Thank you for your understanding and cooperation!
