RESIDENTIAL WASTE DISPOSAL & RECYCLING

TRASH CART/SIZE:

32-Gallon Container w/ Recycling	\$10.25/month
68-Gallon Container w/ Recycling	\$18.72/month
95-Gallon Container w/ Recycling	\$24.92/month
Extra Bag (outside of cart)	\$4.75/bag

FOR NEW SERVICE: For a rolling cart and/or free recycling bin, call 208.726.9600.

COLLECTION: Trash and recycling service within the City of Hailey includes weekly curbside pickup of both household garbage and unlimited sorted recyclables. For collection day, call 726.9600 or look under "Schedules" on our website.

Garbage must be inside the cart, with the lid closed, and the cart and recycle bin(s) placed at the curb for collection by 7 a.m. on the designated day. Cart lid should open toward the street. Recycle bin(s) should be at least 18" from the cart.

On snowy days, carts should be set out in the morning and not the night before, to prevent snow plows from knocking them over.

BILLING: Billing for waste disposal is through the City of Hailey and is included on your water/sewer bill. Recycling is provided at no extra charge.

MOVING: If you are moving, please leave cart and bin(s) for the next occupants. Garbage Carts and Recycle Bins are owned by CCD, and registered to the property address.

Working for a Cleaner Environment and a More Prosperous Community

EXTRA SERVICES:

- Cart Cleaning
- Off-Day Service
- Appliance Removal

• **Drive-Up Service:** For residents who prefer to NOT place the cart at the street, the collection truck can come up the driveway.
