COLLECTION: Trash service includes weekly curbside pickup of household garbage. Optional curbside recycling collection is available in parts of the county. Please call 726.9600 for details. Collection day depends on your location—look under “Schedules” or call 726.9600 for more information.

Garbage must be inside the cart, with lid closed, and the cart and recycle bin(s) at the curb for collection by 7 a.m. Cart lid should open toward the street. Recycle bin(s) should be at least 18” from the cart.

On snowy days, carts should be set out in the morning and not the night before, to prevent snow plows from knocking them over.
