FOR NEW SERVICE: For a rolling cart call Clear Creek Disposal at 208.726.9600.

COLLECTION: Trash service includes weekly curbside pickup of household garbage. For collection day, call 726.9600 or look under “schedules” on our website. Garbage must be inside the cart, with lid closed, and the cart at the curb for collection by 7 a.m. Cart lid should open toward the street. Corrugated Cardboard and Glass Jars/Bottles can be dropped off at the Carey Transfer Station for recycling and diversion. See “Recycling Details” for more about what is accepted.

On snowy days, carts should be set out in the morning and not the night before, to prevent snow plows from knocking them over.

BILLING: CCD issues quarterly bills.

MOVING: If you are moving, please leave cart and bin(s) for the next occupants. Garbage Carts and Recycle Bins are owned by CCD, and registered to the property address.
